1. The Bureau will notify the qualified applicants for fee negotiation in accordance with their respective rankings in proposal examination. The applicant ranking first shall have the first priority, and so on. If the applicant's fee quote (i.e., the fee quote of management fee presented by such manager upon application) is lower than or equal to the floor price set by the Bureau, such manager shall obtain the qualification to sign the contract.
2. 取得議價資格之合格業者，進行費率議價時應以各基金合計委任總金額為基礎，進行議價，議價之結果並將統一適用於該合格業者每一基金帳戶。

3. If the fee quote is higher than the floor price set by the Bureau, the chairman shall enquire whether the applicant is willing to lower the fee quote in order to obtain the qualification to sign the contract. The applicant may lower the fee quote for at most 5 times. Once the lowered fee quote is lower than or equal to the floor price set by the Bureau, such applicant shall obtain the qualification to sign the contract, and the contract fee shall be the negotiated fee quote. If the lowered fee quote of the fifth time is still higher than the floor price set by the Bureau, it will be deemed that the applicant gives up the right to negotiate the fee rate, and the Bureau will notify the applicant whose ranking is immediately following the applicant giving up its right for fee rate negotiation.
